TITLE: FLUORESCENCE POLARIZATION METHOD FOR  
DETERMINING PROTEASE ACTIVITY

Commissioner of Patents and Trademarks  
Washington, D.C. 20231

Dear Sir:

**PETITION TO REVIVE under 37 CFR 1.315**

Applicants hereby petition the Commissioner under 37 C.F.R. 1.315 to revive the above-identified, unintentionally abandoned application.

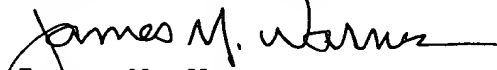

This application became abandoned on April 25, 2001 for failure to provide a response to the Office Action dated October 25, 2001.

Applicants are filing concurrently with this Petition a Rule 1.53(b) Continuation Application in the subject case. This Application is being revived only for purposes of continuity.

Applicants hereby authorize the Commissioner to charge any other fees associated with this petition to Deposit Account No. 19-1025.

Early and favorable action is earnestly requested.

Respectfully requested,

  
James M. Warner  
Attorney for Applicants
